

THE QUALITY "ENTRY LEVEL" TWINS

THE SINGLE WAY "M40D" ADJUSTABLE TWIN SHOCK

The M40D is an adjustable hydraulic twin set with an internal pressurized expansion tank of Nitrogen gas (N₂).

Single, easy to use, damping (**Rebound**) adjustment.

Where possible the length adjuster unit is also available.

The spring Preload is by millimetric ring.

Manufactured using only materials of high-end technical and mechanical characteristics with the objective of offering fine damping adjustment to ensure the greatest confidence, and excellent comfort.

Each click makes a perceptible difference to the damping.

Fully re-buildable and re-valveable.

Available in two versions:

Dark
(black cylinder / black spring)

Chrome
(silver cylinder / chromed spring).

Nitrogen gas (N₂) charging valve

Supplied as standard with millimetric ring spring Preload

The cylinder is made from Alu alloy, with lapped finish and oxidation surface treatment

40 mm diameter piston with flow dynamics specially designed for better control of the suspension movements

Spring in Si-Cr alloy Steel, available in different rates, based on the bike model and rider weight

High tensile alloy Steel 16 mm diameter piston rod, hard chrome coating, lapped finish surface treatment

Rebound adjustment

Alu alloy bottom eyelet joint, machined from billet.

Ride height adjustment option for some applications. Range of length adjustment: 9 mm.
Opzione di regolazione interasse per alcune applicazioni. Range di regolazione: 9 mm.

"M40D" IL TWIN A SINGOLA VIA

M40D è una gamma di twin idraulici regolabili con serbatoio di espansione pressurizzato interno (Azoto N₂).

Facile da usare con singola regolazione in **Estensione**.
Ove possibile, è disponibile anche la regolazione di interasse.

Prearico molla tramite ghiera millimetrica.

Nonostante sia un "entry level" è prodotto utilizzando solo materiali con caratteristiche tecniche e meccaniche di alto livello.

Obiettivo: offrire una regolazione fine dello smorzamento idraulico per garantire la massima sicurezza e un comfort eccellente.

Completamente revisionabile.

Disponibile in due versioni:

Dark
(cilindro nero / molla nera)

Chrome
(cilindro argento / molla cromata).
